Assessments will take place to identify areas of the curriculum where children may need additional support.
- Children in years 2 to 6 will have to undertake all activities sat at their own allocated seat for most lessons
- Children leave exercise books open on work done that day so teacher/ TA can mark work and give written feedback.
- Staff can take their group outside for some lessons, but children must keep distance (check when no other group is using that outside space)
- Daily worship and prayer will take place in class bubbles in the classrooms
- PE and Music will be delivered by external teachers where appropriate, maintaining social distancing when moving between class bubbles.
