Intent	<p>Our primary aim is that children leave St Martin de Porres with a wide range of experiences driven through an engaging and comprehensive curriculum, which is the basis of knowledge and understanding of the Catholic faith, enabling them to develop a living and personal faith in Jesus Christ and allowing them to know and love God. An RE curriculum, which conforms to the teaching of the Catholic Church and follows Diocesan guidelines, will be provided:</p> <p>Children will develop an awareness of God's presence in their lives and the lives of others, developing the spiritual life of each child through prayer and reflection. Children will develop a well-formed conscience allowing them to make sound moral judgements in the light of personal commitment to God. Children, and their parents, will develop the knowledge, understanding and appreciation of the Sacraments. Children will develop a deep understanding of the RE unit they are studying. They will increasingly use their prior knowledge to develop into religiously literate young people.</p> <p>RE will play a central role in the school's work on spiritual, moral, vocational, social and cultural education. Children will be prepared for life in a multi-faith society by fostering respect for and understanding of rich cultural diversity. Opportunities will exist for children of all ages to experience learning beyond the classroom. This will allow them to enrich their knowledge by, for example, visiting different places of worship, including other faiths and our local parish church. Parents, Carers, family members and parishioners will attend Masses and religious celebrations within the school and in our parish church, and pupils will participate in parish activities outside of school time, promoting good links with the Parish of St Martin's. Good links with the local parish community will also be fostered by giving children the opportunity to ask wondering questions to the Parish Priest via their teachers and receive considered responses to these.</p>
