| <p>Lack of or inadequate management on controlling risk of Coronavirus (cont)</p> | <p>Staff, pupils, families of staff and pupils attending school</p> | <p>Lack of management leading to spread of Virus resulting in time off work or away from school (loss of education). Death of member of staff or pupil</p> | <ol style="list-style-type: none"> 1. Consultation with Unions and communication with non-union staff on risk assessment and its control measures. 2. School has in place a local lockdown plan – remote learning for individuals isolating, bubbles and the whole school. 3. School open and remain open on the ability to maintain COVID-19 prevention and control measures within the school's setting. 4. Review staffing availability with changes in shielding from the 1st August and create “bubbles or groups” following DFE guidance this could be classes and year groups. 5. Adequate class spaces to teach groups – there is no social distancing between students in bubbles. Maintain up to max 2m between student and teacher 6. Children, parents, carers and visitors such as contractors are informed not to visit the setting if they are displaying any symptoms of Coronavirus (COVID-19). 7. Visitors limited to school – try to hold meeting remotely where possible. 8. Visitors/contractors into school must be recorded (with contact details) and informed of school arrangements for COVID19. 9. Daily classroom checklists and monitoring of controls from risk assessment are in place 10. System in place for reporting near misses to identify where controls cannot be followed or people are not doing what they should. 11. Review staffing holidays planned and if 14-day isolation on return will impact on their attendance and school delivery. 12. Parent and staff handbooks/guides/agreements in place and good communication with staff and parents prior to opening. | <ol style="list-style-type: none"> 1. HR advice July. List of union staff collated. 2. Class Dojo will be used as home learning platform and CTs will upload daily lessons following school's timetable. Trust working on shared platform for lessons and resources linked to RE/MUSIC/MFL/COMPUTING/PSHE 3. School RA and fully opening plans in place 4. Class bubbles (30 chn) in place, with micro (60 chn). 5. Forward facing desks with pairs of children at each desk. Teacher and TA to remain a distance as much as possible, e.g. front of class when teaching. Classes to remain in own classrooms as bubbles and only external PE/Music/SLT/OFFICE/HLTA staff will move when needed between bubbles. 6. All visitors and school community to stay away if symptomatic – re-iterated advice on letters and posted message on website. 7. Most meetings to be held remotely. 8. All visitors and staff sign in using inventory system and shared brief RA and safeguarding leaflet 9. All class bubbles to mark and update checklist daily and report low stock, issues to SLT. 10. Regular review on near misses 11. Staff aware of current guidance. 12. Parentmail system and class dojo messaging to be used to communicate with parents any updates, changes. Updated opening plan shared with all staff and parents. |

| Hazard / Risk | Who is at Risk? | How can the hazards cause harm? | Proposed Control Measures | Green – complete Yellow – not completed Red – not in place |
|--|--|---|---|--|
| Vulnerable staff (including pregnant workers). | Vulnerable staff | Contracting Coronavirus resulting in serious illness or death of member of staff or pupil | <ol style="list-style-type: none"> 1. Review workforce to identify staff in extremely clinically vulnerable category as per guidance Shielding for this group will be paused from the 1st August 2020 and they should be able to return to work if COVID secure– but can carry on working from home if they can. 2. Complete individual risk assessment for staff extremely clinically vulnerable. 3. Review workforce to identify staff in clinically vulnerable category (70 or older, pregnant or usually need a flu jab for underlying medical conditions that might be in the ‘clinically vulnerable’ category) should work from home where they can and should continue to do so. Employers should decide, in consultation with their employees, whether it is viable for them to continue working from home. Carry out risk assessment for returning to the workplace and actions taken to manage the risks of transmission in line with this guidance. 4. Pregnant staff review working arrangements and update pregnancy risk assessment. | <p>1. RA completed for one member of staff in this category</p> <p>3. RAs completed for three staff members</p> <p>4. RA for one pregnant staff member currently</p> |
| Living with a shielded or clinically vulnerable person Staff or pupil | Staff, pupils and families of those attending school | Contracting Coronavirus resulting in serious illness or death of member of staff or pupil | <ul style="list-style-type: none"> • If a child, young person or a member of staff lives with someone who is clinically vulnerable (but not clinically extremely vulnerable), including those who are pregnant, they can attend their education or childcare setting. • If a child, young person or staff member lives in a household with someone who is extremely clinically vulnerable, as set out in the COVID-19: COVID-19: guidance on shielding and protecting people defined on medical grounds as extremely vulnerable, from the 1st August they can attend the school setting. | <p>1. Two staff members identified to be in work from Sept 1st and measures in place and shared.</p> |

| Hazard / Risk | Who is at Risk? | How can the hazards cause harm? | Proposed Control Measures | Green – complete Yellow – not completed Red – not in place |
|--|-----------------|---------------------------------|--|--|
| Pupils who are shielding or self isolating | Pupils and | | <ol style="list-style-type: none"> 1. From 1st August shielding will be paused and pupils in this category can return to school. 2. Identify pupils still unable to attend in line with public health advice because they are self-isolating and have had symptoms or a positive test result themselves; or because they are a close contact of someone who has coronavirus (COVID-19) 3. Pupils no longer required to shield but who generally remain under the care of a specialist health professional – review and update their care plans before returning to school (usually at their next planned clinical appointment). Following guidance from the Royal College of Paediatrics and Child Health at COVID-19 - 'shielding' for children and young people. | <ol style="list-style-type: none"> 1. Three pupils and family known about so school to undertake RA with parents. 2. Registers taken and parents asked in inform school if pupil needs to self isolate. 3. SENDco to review care plans with school nurse in September |

| | | | | |
|-------------------------------------|----------------------------------|--|--|---|
| Lack of social distancing in school | Staff, pupils and family members | <p>The virus is spread in minute water droplets that are expelled from the body through sneezing, coughing, talking and breathing. The virus can be transferred to the hands and from there to surfaces. It can survive on surfaces for a period after transfer (depending on such things as the surface type, its moisture content and temperature). It can cause illness and recover and death</p> | <ol style="list-style-type: none"> 1. School to follow latest Government <u>advice</u> to minimise contact between individuals and maintain social distancing. Older children between pupils and staff and between bubbles. 2. Display signage to remind people to socially distance. 3. Travel to and from school Parents and pupils informed and encouraged to not use public transport. Where pupils have to use public transport as it is totally necessary this should not be during peak times (stagger start and end times). Families using public transport should be referred to the safer travel guidance for passengers. Liaison with LA school transport to determine how pupils will be travelling in bubbles Parents/pupils encouraged to walk/cycle to school 4. Planned staggered arrival and leaving times for different groups of children. Each group of pupils is allocated a time of arrival and collection and this is communicated to parents and they can line up in their specified area of playground. 5. Groups access classrooms straight from outside rather than coming through an entrance and corridor where possible 6. Clearly marked areas where pupils and parents in their groups can line up maintaining social distancing when coming into school. <ol style="list-style-type: none"> a. Only one parent/carer per child to arrive and collect children (Primary). b. No parent/carer standing at the gate (creating a bottle neck) c. No parent to come into classroom. 7. Bikes and scooters stored safely apart not thrown on floor (pupils only use their own scooter/bike) <p>Classroom</p> <ol style="list-style-type: none"> 8. Classrooms to be set up so all children face the front in lines. No face to face working. <ul style="list-style-type: none"> • Pupils to use their own stationary and not share pens/pencils or other equipment with each other in the group without being cleaned. • No sharing of resources between “groups” unless thoroughly cleaned using a diluted bleach solution. For example, maths resources or left for 72 hours between use. 9. Removing and storing unnecessary furniture to create more space in classrooms. | <ol style="list-style-type: none"> 1. Guidance read and reviewed on 13.7.20 2. Signage in place (states 2 m still is best practice) 3. Parents encouraged to park and walk 4. between 8.30am and 9.00 staggered opening times at 2 entrance gates. Between 3.00 and 3.30 staggered leaving times at 2 gates. Parents unless by prior arrangement will not access site or past the school gates 5. Pupils escorted by TAs and CTs into staggered lines and will enter directly from outside in to own classrooms 6. Signage/member of staff outside directing parents to lines for each year group. 7. Bikes/scooters to be placed securely outside each classroom outside doors. 8. Pupils <u>will remain in their bubble/groups</u> in classroom and not move around the school where possible although for curriculum delivery this should be managed. Teachers to move classrooms. The groups will not cross over and there will be have as little as contact as possible with the groups in school. (separate areas in playground etc) All children have own stationary packs on desks and concrete resources to be used in bubbles and cleaned after use. All concrete and washable resources are cleaned after every day, e.g. EYFS using Milton. Teachers to give individual children maths resources to use for week e.g money counters |
|-------------------------------------|----------------------------------|--|--|---|

| Hazard / Risk | Who is at Risk? | How can the hazards cause harm? | Proposed Control Measures | Green – complete Yellow – not completed Red – not in place |
|---------------|-----------------|---------------------------------|--|---|
| | | | <ul style="list-style-type: none"> • Class sizes can be back to normal where excess furniture is removed allowing for 2m between teacher and pupils. • Consider removing excess furniture off site so all classrooms can be utilised. • Where possible hold lessons outside within the school grounds in their “groups” maintaining social distancing. <p>10. Where possible keep a window open for ventilation.</p> <ul style="list-style-type: none"> • Where possible keep door open to corridor to avoid touching handles (when leaving room door should be closed for fire safety) • Pupils to remain within their bubbles as much as possible | <p>Books to be left untouched for 72 hours when returned – rotating colour boxes</p> <ul style="list-style-type: none"> • Toys and resources are not shared between “groups” unless thoroughly cleaned using diluted bleach or Milton solution. • Sandpit if not shared between groups can be used. <p>Soft furnishings kept out of use, except for rugs and bean bags in each reading area. PE equipment to be cleaned between each bubble.</p> <p>9. Classrooms cleared of unnecessary cupboards so more space is available for spaced front facing pupil desks Classes to remain as class bubbles and PE/Music/HLTA staff move rooms. Class teachers and TAs remain with own bubbles 3 separate playground areas and outside areas to be used where possible for teaching of lessons.</p> <p>10. Windows open and internal non fire doors left open</p> <p>Children do not need to walk in internal corridors.</p> <p>Older pupils reminded not to touch staff</p> |

| Hazard / Risk | Who is at Risk? | How can the hazards cause harm? | Proposed Control Measures | Green – complete Yellow – not completed Red – not in place |
|--|-----------------|---------------------------------|---|--|
| Lack of social distancing in school (Continued) | | | <p>Social and breaktimes</p> <ol style="list-style-type: none"> 1. Stagger breaks lunches and breaks to keep groups separate. 2. Pupils to wash hands thoroughly before going out for break/lunch. 3. Zone playground (provide markers to keep groups away from each other) 4. Balls and equipment can be used if kept within “bubble” or cleaned thoroughly between bubbles. <p>In the Dining hall</p> <ul style="list-style-type: none"> • Groups are brought to dining hall at staggered times and areas are cleaned down thoroughly between groups. • Pupils to sit with their own “group” and not mix with other groups or • Pupils to clear away own plates and cutlery. • Staff working in dining hall to wash hands frequently and maintain social distancing from pupils • Staff supervising to stand 1 metre plus away from pupils and other staff. • Consider using additional serving spaces for food to prevent pinch points for example food carts. <p>General</p> <ol style="list-style-type: none"> 1. Where supply staff are used this is kept as consistent as possible and full contact details and details on lessons they taught recorded. 2. Induction provided to supply staff on arrangements for managing the risk of Covid19. 3. School behaviour policy reviewed to include pupil expectations on following arrangements for managing the risk and sanctions for example social distancing, handwashing etc. | <p>1. Timetables set with adequate staff allocated for breaks and lunchtimes</p> <p>2. Handwashing timetabled for 6 times a day minimum.</p> <p>3. 5 spaces allocated but will reduce to 3 spaces upon wet weather.</p> <p>4. No PE or games which involve contact allowed. Each bubble provided with own ball.</p> <p>Lunchtime –children to eat in dining room at staggered times. Staff given bin bags to collect rubbish.</p> <p>General</p> <ol style="list-style-type: none"> 1. If supply used, record kept in office of details and bubbles taught. 2. Supply staff given leaflet of procedures in place 3. Behaviour addendum in place and reviewed <p>Staff to model social distancing and remind pupils attending the setting of social distancing so they learn good practice.</p> <p>Close supervision by Teachers/support staff on pupils so social distancing measures are maintained keeping groups separate. This includes monitoring corridors and toilets at breaktimes and lunch.</p> |

|--|----------------------------------|---------------------------------|---|---|
| Lack of social distancing in school (Continued) | Staff, pupils and family members | Illness Death | <ol style="list-style-type: none"> 1. Consider keeping any marking floors in corridors showing 2 m gaps (brief transitional contact such as passing in corridor is low risk as per government guidance between groups) Display laminated social distancing posters around the school (classrooms and corridors) 2. Staffroom maintain social distancing (chairs and tables should be 2m apart) <ul style="list-style-type: none"> • Provide other spaces for staff to have lunch social distancing (this may be an office or in their classroom, library) <p>School Reception and offices</p> <ul style="list-style-type: none"> • Reception area (glass barrier between receptionist and any visitor or pupil. • Parents encouraged to phone or email rather than come to the Reception office. • Parents encouraged to pay electronically rather than cash which should be placed in an envelope. • Implementing “drop zones” for passing materials between people including deliveries. • Drivers must also have access to handwashing facilities or sanitiser. | <p>1. Floor markings and signage in place and internal corridors only walked by staff or escorted class, unless child being escorted to first aid or covid room.</p> <p>2. Staffroom have chairs distanced and staff to keep from over crowding. Other places staff to use are Prayer room and Conference room.</p> <p>Offices and meeting rooms All staff have own phone by desk. Internal office doors kept open</p> <p>School reception Visitors and parents discouraged from entering except in emergency or via previously arranged appointment. Use of Parentmail to pay. If any cash then places in envelope and counted wearing gloves. Hand sanitiser and wipes available for all delivery drivers or visitors located at front reception area.</p> |

| Hazard / Risk | Who is at Risk? | How can the hazards cause harm? | Proposed Control Measures | Green – complete Yellow – not completed Red – not in place |
|--|-----------------|---------------------------------|---|--|
| Access to curriculum such as PE/Science/DT etc | pupils | Illness Death | <ul style="list-style-type: none"> The timetable adapted to take into account additional time for handwashing. Pupils will be asked to wash their hands after physical activity. Refer to specialist guidance from CLEAPSS, Association of PE. ICT suites should be cleaned using wipes after use (between groups) <p>PE and sports</p> <ul style="list-style-type: none"> Outdoor sports will be prioritised where possible, and large indoor spaces used where it is not, maximising distancing between pupils and paying attention to cleaning and hygiene. If accessing external facilities government guidance for the use of, and travel to and from, those facilities will be followed. Outdoor playground equipment will be cleaned more frequently. <p>Books and resources</p> <ul style="list-style-type: none"> Resources that are shared between classes or bubbles, such as sports, art and science equipment cleaned frequently and meticulously and always between bubbles, or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours for plastics) between use by different bubbles. | <p>If chn are doing art / DT work they need own equipment</p> <p>Laptops – if used need to wiped down after use by adult and wearing gloves</p> <p>PE – Pupils should be kept in consistent groups, sports equipment thoroughly cleaned between each use by different individual groups, and contact sports avoided. Outdoor to be used as much as possible for PE and cleaned equipment between micro bubbles. Meeting held with external PE provider to go through procedures</p> <p>Pupils can take reading books home but returned books to be isolated on rotation. Teachers not to take books and other shared resources home.</p> |

| <p>Stress and mental health</p> <p>Parents and pupils anxious about returning to school</p> <p>Staff working long hours delivering face to face as well as setting work for those pupils at home</p> | <p>Staff, pupils, families of staff and pupils</p> | <p>Stress and anxiety leading to loss of sleep and changes in behaviour.</p> <p>Resulting in time of work/school</p> <p>Increase in absenteeism and Presentism</p> | <ul style="list-style-type: none"> • Clear communication to parents on returning to school and how this will be managed. • Recognise that parents and pupils that may have been shielding or those concerned about the comparatively increased risk from COVID 19 including those from Black, Asian, Minority Ethnic or who have certain conditions such as obesity and diabetes and support mechanisms in place to reassure parents and staff. • Additional pastoral support provided to pupils. • Use of professional resources to share experiences of lockdown with children for example https://www.weforum.org/agenda/2020/05/11-may-who-briefing/ • Monitor staff workload between classroom delivery and setting work for pupils at home (those isolating or working from home due to lockdown). • Regular updates to parents on safety measures in place | <p>Staff workload monitored and supervision meetings undertaken by SLT</p> |
| <p>Ineffective use of PPE</p> | <p>Staff, pupils, families of staff and pupils</p> | <p>PPE facemasks become contaminated and source of infection causing illness to wearer</p> | <ul style="list-style-type: none"> • School to follow DFE and WHO guidance that currently does not require schools to provide PPE for staff in general apart from those administering first aid, dealing with a suspected case of COVID19 and personal care. • School to provide and maintain a supply of suitable PPE for staff that are required to use it (Disposable gloves, aprons and face masks, visors). • Where Staff and pupils chose to wear their own face covering in school – make this clear that this is a personal choice but not identified by the Government and Public Health England. This could be included as part of an individual risk assessment. • Pupils/staff travelling in by public transport or private transport (over the age of 11 is compulsory) - lidded bin available to dispose of masks on arrival. Plastic bags provided to pupils and staff with face covering. • Face covering used for transport to be placed into a plastic bag and stored in pupils/staff own bag. Face coverings are not left hanging around anyone's neck. | <p>No face coverings needed to be worn by staff or pupils on school site and must be removed and kept by parent when dropping off. Shared with staff and parents on opening plan</p> <p>Only in suspected case full PPE is worn by directed staff members – office and SLT staff</p> <p>Face masks and gloves to be worn for delivery of first aid</p> <p>All PPE to be disposed on black bin bags immediately after use.</p> |

Risk Assessment Action Plan

Following Covid19 Hierarchy of control

| Control measure not yet in place or Additional Control Measures <i>(to take account of local/individual circumstances including changes such as working practices, equipment, staffing levels).</i> | Action by Whom <i>(list the name of the person/people who have been designated to conduct actions)</i> | Action by When <i>(set timescales for the completion of the actions – remember to prioritise them)</i> | Action Completed <i>(record the actual date of completion for each action listed)</i> | Residual Risk Rating |
|---|--|--|---|-----------------------------|
| Pupils who are shielding or self-isolating Need to undertake RA with parents before returning Care plans need reviewing with advice from School Nurse for known pupils | Headteacher/ SENDco | September 2020 | | |
| Lack of social distancing in school Hot dinners and use of dining room – currently waiting for confirmation from catering company. | Headteacher/ COO Clark Campbell | July 2020 | | |
| Lack or ineffective cleaning of high contact surfaces or between groups or resources No further funding to provide extra contract cleaners in middle of day | Headteacher | July 2020 | All staff have undertaken COSHH training and safe use of antiviral spray June 2020 | |
| Staff or pupils comes into school when they feel unwell No testing in kits currently in school | DfE/ headteacher | September 2020 | | |
| Parent events No plans in place on how to deliver parents evenings | Headteacher | October 2020 | | |
| Friday afternoon activities Activities will not be offered to children whose parents are working on a Friday afternoon as maintaining 'bubbles' with consistent staff will not be possible. To be reviewed in December 2020. | Headteacher/LAC | December 2020 | | |

| RESIDUAL RISK RATING | ACTION REQUIRED |
|--|--|
| VERY HIGH (VH) Strong likelihood of fatality / serious injury/illness occurring | The activity must not take place at all. You must identify further controls to reduce the risk rating. |
| HIGH (H) Possibility of fatality/serious injury/illness occurring | You must identify further controls to reduce the risk rating. Seek further advice, e.g. from your H&S Consultant |
| MEDIUM (M) Possibility of significant injury or over 7 day absence occurring | If it is not possible to lower risk further, you will need to consider the risk against the benefit. Monitor risk assessments at this rating more regularly and closely. |
| LOW (L) Possibility of minor injury/illness only | No further action required. |
