| Class      | Name         |  |
|------------|--------------|--|
| Ladybirds  | Joanne       | For her fantastic ideas on model         |
|            |              | making.                                  |
| Bears      | Nathan       | For doing amazing counting up to         |
|            |              | 100.                                     |
| Tigers     | Rosalie      | For all her good choices and fantastic   |
|            |              | learning this week.                      |
| 1M         | Oliver       | For working independently and            |
|            |              | producing some wonderful writing.        |
| 1P         | Marla        | For completing some fantastic work in    |
|            |              | English when adding suffixes to          |
|            |              | words.                                   |
| 2M         | David        | Because he worked well with his          |
|            |              | partner to create a Fire Safety poster.  |
| 2P         | Macey-Leigh  | For great listening and taking an        |
|            |              | active part in learning activities.      |
| 3M         | Maria        | For working hard in our maths lessons    |
|            |              | to tell the time to the minute.          |
| 3P         | Dillen       | For brilliant form when sprinting short  |
|            |              | distances.                               |
| 4M         | Keeley       | For her amazing speech as Martin         |
|            |              | Luther King and why history should       |
|            |              | never be forgotten.                      |
| <b>4</b> P | Roksanna     | She is making excellent progress in      |
|            |              | maths.                                   |
| 5M         | Daniel       | For great progress and skill in learning |
|            |              | to play the clarinet this year.          |
| 5P         | Allegra      | For persevering to understand            |
|            |              | translation and reflection in Maths.     |
| 6M         | Jaynell-Rose | For her contribution to our history      |
|            |              | lesson about evacuation in WW2.          |
| 6D         | Christina    | For her focus and contribution during    |
|            |              | the maths lesson.                        |
| 6P         | Damar        | For great contribution and focus         |
|            |              | during lessons.                          |
